

CURRICULUM VITAE

TATJANA WEBSTER, M.D.

EDUCATION

June 28, 1967 Doctor of Medicine
University of Belgrade, Faculty of Medicine,
Belgrade, Yugoslavia
Graduated with highest honors (*summa cum laude*)

POST-GRADUATE TRAINING

1967 – 1968 Surgery and Obstetrics, Universities of New Castle, University of Edinburgh, St. Thomas Hospital, London, Great Britain
1969 - 1974 Residency in Family Practice, Departments of General and Internal Medicine, University of Linköping Affiliated Hospitals, University of Stockholm, Stockholm, Sweden
1974 - 1978 Residency in Internal Medicine, University of Linköping Affiliated Hospitals, University of Stockholm, Stockholm, Sweden
1978 - 1980 Fellowship in Nephrology, Nephrology Division of Internal Medicine and Center for Hemodialysis, University Hospital, Linköping, Sweden
1980 – 1985 Postdoctoral Research Fellowship Grant Awarded by the American Heart Association, Department of Pharmacology, University of Tennessee Center for the Health Sciences, Memphis Tennessee
1985 - 1987 Research Fellow in Nephrology and Hypertension Division, directed by C.S. Wilcox, Internal Medicine Service, Veterans Administration Medical Center, and Shands University Hospital, Gainesville, Florida
1985 - 1987 Fellow, Geriatric Medicine and Fellow, Nephrology and Hypertension, Veterans Administration Medical Center, Gainesville, Florida and Shands University Hospital, Gainesville, Florida

HOSPITAL POSITIONS

1992 – Dec. 2015 Hospitalist Nocturnist, Medical Officer of the Day (MOD), Section Chief, VAMC Bay Pines, Florida
1989 - 1992 Acting Chief, Nephrology Section and Director of Acute Dialysis, VAMC Bay Pines, Florida
1987 - 1991 Chief, Geriatric Medicine and Nephrology Consultant, Veterans Administration Medical Center, Bay Pines, Florida
1978 - 1980 Staff Physician, Nephrology Division of Internal Medicine and Center for Hemodialysis, University Hospital, Linköping, Sweden

FACULTY POSITIONS

1987 – 2011 Assistant Professor, Internal Medicine, University of South Florida
College of Medicine, Tampa, Florida
1999 – 2011 ACLS Regional Faculty for American Heart Association, Florida Region
1992 – 2011 ACLS Instructor
1985 - 1987 Clinical Instructor in Physical Diagnosis, Department of Medicine,
University of Florida, Gainesville, Florida
1980 - 1982 Nephrology and Hypertension Research Associate, Department of
Pharmacology, University of Tennessee Center for the Health Sciences,
Memphis, Tennessee
1980 Clinical Associate Chairman, Department of Internal
Medicine, Finspong Hospital, University of Linköping Affiliated Hospitals,
University of Stockholm, Stockholm, Sweden
1979 - 1980 Assistant Professor Internal Medicine, University of Stockholm,
Stockholm, Sweden
1975 - 1979 Instructor in Internal Medicine, University of Linköping Affiliated
Hospitals, University of Stockholm, Stockholm, Sweden

LICENSURE TO PRACTICE

1985 Florida Medical License Registration # ME0047206 issued by F.L.E.X.
1984 E.C.F.M.G. Certificate #377-295-1
1972 Swedish Medical License #408, Stockholm, Sweden

DEA Number

BW-0903181

UPIN Number

H25894

NPI Number

1043264989

MILITARY SERVICE

None

BOARD CERTIFICATION

- 1980 Board Certified in Internal Medicine, Stockholm, Sweden
1975 Board Certified in General Medicine, Stockholm, Sweden

PROFESSIONAL SOCIETIES

American College of Physicians, American Society of Internal Medicine
Swedish Society of Internal Medicine
Swedish Medical Association

HONORS

- 1999 Special Contribution Award, JCAHO Program, Bay Pines VA Medical Center
1998, 1999 Outstanding Performance Rating, Bay Pines VA Medical Center
1997 Physician Recognition Award, American Medical Association, 240 hours CME
1996 Team Excellence Award, Bay Pines VA Medical Center
1980 - 1984 American Heart Association, Nephrology and Hypertension Research, Department of Pharmacology, University of Tennessee Center for the Health Sciences, Memphis, Tennessee
1967 - 1968 Honored British Government Grant for Training in Internal Medicine, General Surgery, Orthopedic Surgery and Obstetrics, Universities of New Castle, University of Edinburgh, St. Thomas Hospital, London, Great Britain
June 28, 1967 Doctor of Medicine, Graduated *summa cum laude* (with highest honors) University of Belgrade, Faculty of Medicine, Belgrade, Yugoslavia

GRANT SUPPORT

- 1982 - 1984 Postdoctoral Research Fellow Grant awarded by the American Heart Association, Department of Pharmacology, University of Tennessee Center for the Health Sciences, Memphis, Tennessee
1979 Research project directed by A.E. Wennemalm, M.D., Huddinge Hospital Affiliate Karolinska Institute, Stockholm. Superfusion of vascular stripes of rabbit aorta, vena cava sup and coeliac arteries with gassed Krebs' bicarbonate solution. Aggregation studies bone aggregometer and platelet aggregation induced by arachidonic acid or by adenosine Biphosphate.
1978 - 1979 Research project directed by Dr. K.F. Anggard, Karolinska Institute, Stockholm. Initiation of platelet aggregation and the release reaction. Inhibition of platelet aggregation. Role of prostaglandin PGG2 Thromboxane A2 and interaction

between PGs Andoperoxides and the vascular wall
